

# BayBioMS – Advanced mass spectrometry seminar

**When:** Wednesday **26.06.2024, 5:30 pm**

**Where:** IGZW, Gregor-Mendel-Str. 4  
3<sup>rd</sup> floor conference room

**Doors open at 5:15 pm**

**Free beer, drinks and snacks will be served!**

## Methods covered

LC-MS/MS based  
Peptidomics

### Prof. Michael Schrader

Hochschule Weihenstephan  
Triesdorf

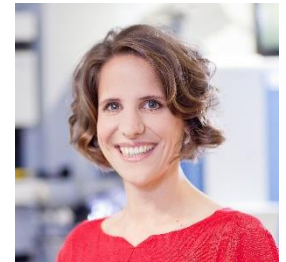

*“Peptidomics - Key strategies  
and applications...  
...and back to the future in  
biomarker discovery”*

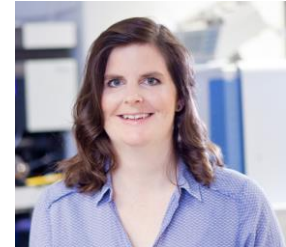

### Dr. Andreas Zellner

Mass Spectrometry in  
Systems Neurosciences  
Technical University Munich

*“Advancing Clinical Peptidome  
Profiling in Plasma with a Robust  
High-Throughput Workflow”*

Dr. Christina Ludwig  
(Proteomics)

Dr. Karin Kleigrew  
(Metabolomics)

Miriam Abele  
(Bioinformatics)
